

MSG Networks [summer student associate program](#) is looking for highly motivated rising juniors and seniors who are interested in sports media, television, and content production. **(Disclaimer: the link is from MSG Entertainment, but we're looking for students specifically interested in MSG Networks)**

MSG Networks, an industry leader in sports production, content development and distribution, is comprised of two award-winning regional sports and entertainment networks and a live streaming and video on demand platform. We're the home to New York sports teams including the Knicks, Rangers, Islanders, NJ Devils, Giants and more. Our content includes sports betting programming as well as MSG PM, a weeknight talk show. Learn more on our [website](#) and see the attached one sheet.

Our MSG Networks studio is located across from Madison Square Garden. Several departments have student associate opportunities, such as Content Production, PR/Communications, Marketing, Finance, and more.

If your students are interested, please have them apply and send a brief email to Alana Udwin (Senior Coordinator, Communications -- [alana.udwin@msgnetworks.com](mailto:alana.udwin@msgnetworks.com)) with their resume attached letting her know that they applied and which department they're most interested in.

Best,  
Will Vipond  
Communications Student Associate, MSG Networks
