COM 370 01.Sports Communication and Digital Media:

This course will examine the ways that digital and social media have evolved to touch every area in the business of sports including marketing, communication, public relations and sales. The class will discuss case studies, podcasts, and articles. Class-based projects will include running social media for an event, team, or brand and developing a unique creative campaign.

Undergraduates may take up to two graduate/MPH courses for credit toward their majors. Consult your advisor.

Cross-Listed Courses - See PAWS for Full Details.
